Young External Representatives

The External Representatives of the European Scout Region are the voice of Scouting towards European Institutions and partners. Their mission is to advocate for the needs of Scouting and Young People in Europe in line with WOSM positions.

As a part of the continuous renewal of the external representatives' team, we are looking for 1 or 2 new volunteers with the following profile:

- interested in defending the rights of young people to participate and/or in the European Institutions
- between 18 to 25 years old
- Confident (or eager to learn) in public speaking and in contact with decision-makers
- Fluent spoken and written English
- Be a WOSM member* (* as per the European Scout Committee position on non-WOSM members' regional involvement, female members from "traditional" SAGNOs having their male members registered with WOSM and female members registered with WAGGGS are not eligible)

The role requires availability during weekdays as the events to be covered are set by the agendas of European institutions and external partners. At the moment, all the meetings are taking place online but once travel is viable again to face to face meeting, the travel expenses are reimbursed.

The duration of the mandate is initially until December 2022. We aim to recruit representatives who would be available even beyond the current triennium to ensure a good continuity of external presence.

We invite all NSO/NSAs to disseminate this call and particularly encourage young people with diverse profiles to apply to this exciting volunteering experience which offers great personal growth opportunities. The newly recruited external representative will join a dynamic and fun young team, with peer-to-peer mentorship, allowing the transition of knowledge and competences needed for representing the Scout Movement.

For any questions or additional information you can contact Marguerite Potard (mpotard@scout.org).
Deadline: 21 March 2021
